Christmas in Prague

Christmas in Prague has an unforgettable atmosphere. The Christmas mood begins with Advent, when the city is festively decorated and at many places, esp. at historical squares, Christmas markets are held.

Christmas markets

Live nativity scenes, traditional folk crafts and colourfully decorated Christmas trees create a fairy-tale holiday atmosphere on Prague's most beautiful squares. You could soak the Christmas atmosphere while sipping a cup of mulled wine and nibbling on Christmas cookies.

Christmas sweets&drinks

An essential part of Christmas in Czechia are christmas sweet and drinks. Typical sweet is called „perníček“ and you can buy it almost everywhere.

Most favourite beverage to drink outside is mulled wine. It makes you warm and only the smell gives you idea that christmas is finally here! Make mulled wine at home and scent your apartment.
